## Scholarships

Our Scholarship Sponsor would help those children and adults in need of financial funding to participate in a recreation program. Participants seeking a scholarship must first demonstrate a need to the Milford Welfare Department and then register for a program. Scholarships may be for a partial or full amount depending on the program. If the program is run by Recreation Department staff, then a 100% waiver would be available due to this sponsorship. If it is run by an outside contractor, Milford Recreation Department will waive a percentage of the fee. This sponsorship will be applied to scholarships with any remaining funds at the end of the calendar year applied to the Milford Recreation Department Revolving Fund for future programming, events and growth opportunities for the department.
